Philosophy and Aims

At Brampton Village Primary School we are committed to meeting the needs of all our pupils. In response to special educational needs and disability we believe that:

- All children have the right to learn together within the mainstream setting.
- Children with a SEN or disability should be offered access to a broad and balanced and relevant education including the National Curriculum.
- Parents of children with a disability or SEN have a vital role to play in supporting their child's education.
- The views of disabled children and those with SEN should be sought and taken into account.
- Every teacher is a teacher of every child, including those with SEN.

Our SEN policy and information report aims to:

- Set out how our school will support and make provision for pupils with special educational needs (SEN)
- Explain the roles and responsibilities of everyone involved in providing for pupils with SEN

2. Legislation and guidance

This policy and information report is based on the statutory [Special Educational Needs and Disability \(SEND\) Code of Practice](#) and the following legislation:

- [Part 3 of the Children and Families Act 2014](#), which sets out schools' responsibilities for pupils with SEN and disabilities
- [The Special Educational Needs and Disability Regulations 2014](#), which set out schools' responsibilities for education, health and care (EHC) plans, SEN co-ordinators (SENCOs) and the SEN information report

3. Definitions

A pupil has SEN if they have a learning difficulty or disability which calls for special educational provision to be made for them.

They have a learning difficulty or disability if they have:

- A significantly greater difficulty in learning than the majority of others of the same age, or
- A disability which prevents or hinders them from making use of facilities of a kind generally provided for others of the same age in mainstream schools

Special educational provision is educational or training provision that is additional to, or different from, that made generally for other children or young people of the same age by mainstream schools.
