## Dear Families,

What is the PTA? Brampton Primary School's Parent Teacher Association (PTA) organises events to support the children during their time in the school and Brambles. They aim to raise funds to supplement those received by the school from the local authority. Generally these funds help to buy 'extras' for the school; these may be books for a new reading scheme or a sandpit for the nursery. There are no hard and fast rules as to what will be funded through the PTA though generally it is the extras which help enrich the children's learning and time at the school. Being part of the PTA doesn't mean that you have to donate money for events in school, it can be offering your time to run a stall at the fayres, cooking cakes for cake Friday, or even putting up posters in Brampton so that the whole community can come to events held at the school.

If you want to get involved in the PTA then please contact the PTA via the school website or Facebook page and members will be in touch. We know we would love to see you at any of our meetings or events

**Home Learning:** Why not look on You Tube for 'Story Time In Space' where real astronauts read a story whilst in space!

Sincerely,

Brambles Team

## Learning Goals:

Topic: 'Spring' Main Text: 'Here We Are' by Oliver Jeffers

*This week we have learnt that the earth, together with all of its countries and people is called the World. We also learnt that our solar system works by the sun's gravity pulling the planets towards the sun. This keeps the planet moving in orbit around the sun. The small, rocky objects that orbit the sun are called asteroids. We discovered that an astronaut is specially trained to travel to outer space in a rocket and it takes three days to travel from earth to the moon!*
