Y2 Remote Learning

March 2021

What is remote learning?

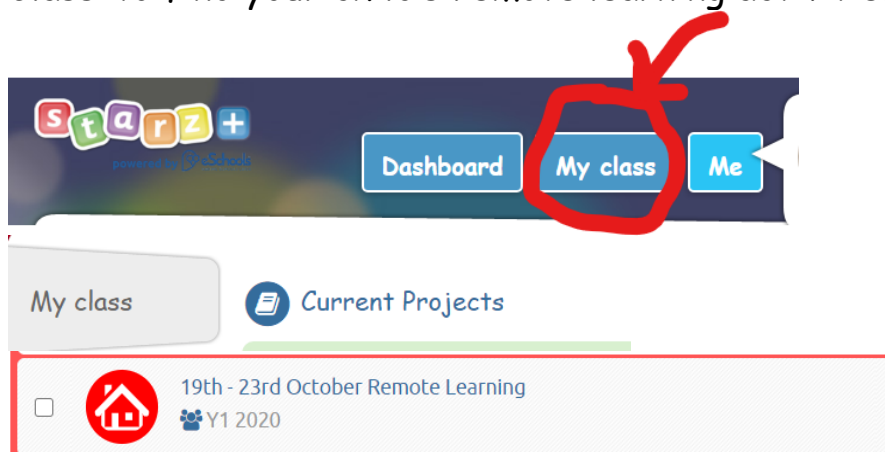

Due to the Coronavirus, children may have to miss school while they isolate or due to lockdowns. This may be for a couple of days if they are waiting for test results or ten days if a member of their household has had a positive test or longer in the case of a lockdown. Remote learning is learning from home when you cannot be at school because of Covid-19.

What will remote learning look like?

You can access the remote learning activities using your child's Starz account.

<https://brampton.eschools.co.uk/login>

Here you'll find a lot of useful web links on the home page and you can go to 'My Class' to find your child's remote learning activities in 'Projects'

Click on the current weeks project to see the activities for the week and then click on the activities to view them.

<input type="checkbox"/>	 Item Name	 Times
<input type="checkbox"/>	 English	 Ongoir
<input type="checkbox"/>	 Maths	 Ongoir
<input type="checkbox"/>	 Phonics	 Ongoir

Which activities does my child need to do and when?

Where possible, each day we would like your child to read a book for 10 minutes or more and complete an English / Grammar, Maths and Spelling activity. There will also be other subjects such as history, science, art etc.

Reading

Please ensure that your child is reading, either to themselves or an adult, for at least 10 minutes. If you do not have any reading books at home, click on the link for Big Cat Collins e-book library or Oxford Owl e-books on the Starz homepage to read online books.

Maths

At school we plan our lessons based on a scheme called 'White Rose'. In projects there will be a PowerPoint or a link to a teaching video for each day created by White Rose, and worksheets or activity instructions to go with it. The worksheets will consist of the White Rose ones which accompany the PowerPoint and/or challenges which are pitched to the children's ability levels (Challenge 1 being the easiest and Challenge 3 the hardest). Please choose which you think is most appropriate for your child.

English and Grammar

You will find PowerPoints, possible web links and activities to complete. Each week there will be four English lessons and one Grammar lesson.

Spelling

We will upload our lesson PowerPoints and activities for your child to do. Your child can also click on the Phonics Play link on the home page for some fun games.

Other Subjects

Each week there will be a menu of topic lessons to choose from.

Suggested daily timetable.

Suggested daily timetable Year 2			
Morning sessions			
Reading (Approx. 15 minutes)	Maths (Approx. 40 minutes)	Phonics (Approx. 20 minutes)	English (Approx. 40 minutes)
Afternoon sessions			
Topic – choose from the topic menu.			

What if the full amount of work provided cannot be completed every day?

Our aim is to provide your child with at least three hours' worth of work a day, so that *if* you can support your child's learning every day you will not run out of work. We understand that sometimes family members may be unwell, working from home, or for other reasons it may not be possible to complete everything provided in 'Projects'. This is OK. Just do whatever you can when you can.

Who will see the work?

You can email us photos of your child's work by attaching them to messages so that we can see what the learning the children are doing and support their progress.

What if my child gets stuck on work or does not understand work provided?

The teachers will all still be here (providing we are well) so email us a message using Starz or your child's class email and we will get back to you as soon as we can, during working hours.

What if I would like more activities?

There are lots of links on the home page for additional activities.

What if I cannot print the activities?

You can email us using Starz or the class email addresses and request a printed work pack, but you will need someone who is not isolating to collect it for you as soon as possible. These packs do take time to prepare so we would appreciate it if you only requested one if you cannot print and if you are able to have it collected.

What if my child's bubble is closed?

If the whole bubble is sent home to isolate, then we will continue to send work via Starz in 'Projects'. More details will also be provided at the time if this were to happen.

Will we still need to do homework?

The home learning will continue to be sent out every two weeks and can be seen and submitted in the 'homework' section of Starz, under the 'My Class' tab.

Please contact us via Starz or these emails if you have any questions.

2beech@brampton.cambs.sch.uk (Mrs Grimbaldeston/Mrs Clipsham)

2maple@brampton.cambs.sch.uk (Mrs Bell-Berry)

2willow@brampton.cambs.sch.uk (Mrs Williams)

Thank you for your ongoing support.

The Year 2 Team
