Headteacher's notes...

I hope you all had a good half term and managed to enjoy some of the celebrations as part of the Platinum Jubilee. We have come back ready for the last few weeks of the school year and for some children in school it is the first full one that they will have ever completed. It was great to be able to hold our information evening for new Reception parents in person earlier this week, the first time we have been able to do this for three years. Next week the children starting Reception in September begin their visits to the school.

Earlier this week we entered three teams into the Quadkids Athletics event at St Ives Outdoor Centre and all of the teams performed extremely well, especially in the running races. Congratulations to everyone who took part and a big thank you to all the parents and staff for their support at this event, it was lovely to have so many there. We won the event and a trophy is on its way!

We also had a team from Year 6 taking part in the annual Rotary Club Of Huntingdon Primary Schools Quiz last night. This is always great fun and the team did extremely well, finishing third out of eight schools. Well done and thank you to all those who came and supported.

Next week some of the children from Year 6 will be going on their residential visit to Laches Wood. We hope that they have a successful trip and are lucky with the weather. Daily updates will be available from the front page of the school website. Those Year 6 children at school will be doing a number of different activities with Mr Cattermole, including PE, Art, Science, Design Technology and cooking. They do not have to wear uniform all week.

As the weather starts to hopefully warm up please help us by sending your child to school with a named hat and water bottle which should contain still water only and not juice or flavoured water. Please do not send in sunglasses. Sun cream can also be sent in (in a named bottle) but the children are responsible for putting this on themselves. It is also important the children continue to wear sensible shoes (no open-toed sandals or flip flops). Thank you.

I will soon be writing with information about classes for next year, but we do have a number of staff leaving at the end of this term. We will sadly be saying goodbye to Miss Maxwell, Mr Church and Mr Rayner who are all moving onto new positions at other schools. We wish them every success and thank them for what they have done at Brampton.

Next Saturday is the PTA Summer and more details are below, including about the non-uniform day next Friday. Many people are working extremely hard to make this a success and an enjoyable occasion for everyone so please come and along and support.

Y6 Swimming

Thank you to everyone who has responded to the Y6 swimming survey. Please click on <https://www.smartsurvey.co.uk/s/W8WZGT/> to access the survey if you have not already done so. The survey will close on Friday 17th June.

Social media use

In line with school policy, it is not acceptable to upload photographs or video clips of your child taken at school, which include other children, onto social networking sites without the permission of their parents. This also includes images of staff. Thank you for your co-operation with this.

PTA News – Summer Fayre Edition!

Stall Sign-up - The plans for our Summer Fayre on Saturday 18th June are now at full pelt. We are running many of our own stalls in order to provide fun and entertainment for everyone and to raise some much needed funds. With a very small PTA committee we need as many helpers as possible to try and make the event run smoothly and safely. Below is a link for you, friends, family and your children to help on a stall at the fayre. It is broken down into 1-hour blocks so that helpers will still have chance to enjoy all that the fayre has to offer. Please do take a look and encourage others, you can bring a friend even if there is only one slot at that time - the more the merrier.

Summer Fayre Stall Helpers

This will be our first PTA summer fayre for a few years and we have plenty of ways that you can please help us to make it run smoothly and raise money for the playground improvements. Please review the available slots below and click on the button to sign up. Please do encourage your friends and family to get involved as we have a very small PTA team at the moment and we really appreciate your help with such a big event. The more the merrier! You will see that some stalls already have teachers signed up. If you would like to sign up to the same stall as your child's year group you can, but you can sign up wherever you want. Thank you again for your support! Any questions please do email bramptonpta@outlook.com www.signupgenius.com

Non-Uniform Day - Friday 17th June will be a non-uniform day for all. Instead of the usual money we are asking for sweets or chocolate donations for the Chocolate/Sweet Tombola the next day at the Summer Fayre. Please send your child into school with your sweet/chocolate donation. Again, please make sure it is in date and unopened.

Online Raffle - We are very lucky to have some fantastic prizes generously donated by many wonderful companies. Tickets are only £1 each and the draw will be at 1.30pm on Saturday 18th June during our summer fayre. Please do share this raffle link with all your friends and family.
