Headteacher's Log

Dear Parents and Carers,

This week's spotlight is on the range of work undertaken by our educational support staff across the school.

Our educational support staff play an absolutely vital role in the life of our school, carrying out a remarkably wide range of tasks with dedication, skill and compassion. Teaching Assistants, Early Years Assistants and Pastoral Assistants support learning in the classroom, work one-to-one and with small groups. They scaffold understanding, adapt resources and help children access the curriculum in ways that meet their individual needs.

They nurture young children's early development, support social communication and emotional regulation, manage care needs, and create safe, inclusive spaces where pupils feel understood and valued.

Beyond this, they build trusted relationships with children and families, offer pastoral care, support attendance and behaviour, contribute to safeguarding, and provide calm, consistent reassurance at moments when pupils need it most. Their flexibility, professionalism and deep commitment ensures that learning, wellbeing and care are seamlessly woven together every day, making an extraordinary difference to children's lives and to the success of the whole school.

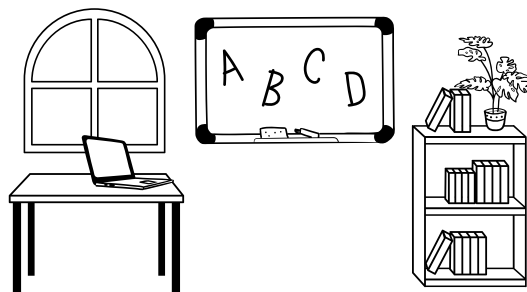

So many of our educational support staff are unsung heroes. I hope this week's focus goes some way to sharing what a huge part they play in the life of children at Brampton Village Primary School.

Next week's focus will be on our fabulous administration team! The life of a day in a school office is never dull!

See you at the school gate,

Chris Hill, Headteacher

Our books are missing – Book Amnesty

We are missing quite a few school books from our libraries. Please can you check at home (under beds and behind book shelves!) to see if you have any lurking. They will be marked with the school stamp or sticker.

There will be a box in the office reception lobby labelled 'Book Amnesty' next to the food bank box for you to drop them off from now until February half term. Many thanks!

Open afternoon – Wednesday 11th February after school

As shared previously on Spring Term dates in this newsletter I would like to highlight our open afternoon. This is a chance for you to visit the school, see your child's classroom and latest work and hold informal conversations with teacher and staff. The open afternoon will run from 3.15-4.15pm.

Health and Safety Audit

I wanted to share with you all that we received a routine health and safety audit from Cambridgeshire County Council a couple of weeks ago. We were delighted to receive feedback that stated our audit outcome as – “Level 3 Substantial Assurance: Management is making significant efforts to manage health and safety both operationally and strategically. Risks are consistently being managed to meet legal and best practice standards.”

Are you a budding DJ? - As with last year, we're looking for a parent, older sibling or even staff member to 'man the decks' - If so, please get in touch (we'll provide a laptop and lights so it's really just manning the playlist and the occasional voiceover from the microphone)!

Cake Friday : As a slight change from the note last week, with Year 6 on their residential w/c 2nd March, our next Cake Friday is now planned for Friday 13th March with Maple classes providing Cakes. See you all there!

Lost Property: There is a lot of Lost Property that has built up in the past term. This will be removed at the end of the day on Tuesday 27th January so if you're children have misplaced anything (branded uniform, unbranded uniform, hats, scarves, gloves), make sure you check it out in the school reception area before it's gone
