Week 32

**Week 32**

4<sup>th</sup> May - 7<sup>th</sup> May

**Baby Animals**

**Week 33**

10<sup>th</sup> May - 14<sup>th</sup> May

**Rainbows**

*Dear Families,*

On this week's nature walk we went to find some long wavy grass to walk through and acted out our own version of our story this week, 'Rosie's Walk'.

We created a vets' role play outside and used our imagination to pretend to be vets and look after all of the toy animals.

**Home Learning:** Why not make or purchase some playdough and create some baby animals together?

*Sincerely,*

Miss Sallie

Learning Goals:

**Topic:** 'Spring' **Main Text:** 'Rosie's Walk' by Pat Hutchins

We spoke about what we have seen and experienced about baby animals. We recorded down the questions and looked in books and on the internet to find the answers. We linked animals and their babies by creating a farm small world area.

We used gingerbread and playdough animal cutters to make our own gingerbread biscuits to take home to share.

Reminders:

There are lots of places now opening up where you can visit animals and their babies in a Covid Safe way.

Why not support local small businesses such as Johnson's Of Old Hurst farm shop and woodland walk or HBK park and go pond dipping.
