Headteacher's notes...

We have made the last day of term and it was wonderful to hold an open-air Assembly with the whole school – the first time since March last year! I would like to say on behalf of everyone at the school a big 'thank you' for all your support this year. We have really appreciated all you have done and given how many other schools have been affected by covid, we have been very fortunate in being able to keep the school up and running with minimal disruption. The children are to be congratulated for all that they have achieved and we look forward to seeing them back in September. For many families it is the 'end of an era' as children leave the school and we wish all of those leaving, both in Year 6 and across the school, every success for the future.

I would also like to thank all of the staff and Governors for everything that they have done during a challenging year – we are so fortunate to have such a dedicated and committed team. Thank you also to the PTA for all their contributions to support the school.

We have said goodbye to a number of staff today, including Mrs Ewens, Mrs King, Mrs Henson, Mrs Cole and Mrs Hansard (Miss Rose – Brambles). We thank them for everything they have done over many years and wish them all the best.

From next week information will be available on the school website from each teacher so please take time to look at this. There are also details about arrangements for September which were sent home last week but please keep an eye on the website in case anything changes over the next few weeks.

Over the summer you might want to keep Maths skills sharp or give yourself a summer Maths challenge using resources produced by the Cambs Maths Team. The *Moving On Up* books are a great resource to practise some of the skills your child will be using in their new classes.

The Maths Team have also produced some Weekly Wonders - '*A fun, weekly challenge linked to events happening in the world around us to keep mathematical minds active!*' All these resources can be found on the school website under the **Classes September 2021** tab.

PTA News

Thank you everyone for the support over this school term. We hope to get details out of how we did with all our events and how much was made. Keep a look out for this.

Fair on The Green – Please, we need some help to run this stall so please have a look at our sign up and help where and if you can. We are also selling uniform on this stall so come and have a look on the day.

Name tags- we have joined up with the company nametags we have our own school id code which is 19333 follow the link to order your name tags and help the PTA.

We hope you all have a lovely summer holiday and we look forward to getting back to some of our popular events that may be able to return in September. See you all then.

Thank you, The PTA Team

Learning

Enjoying

Achieving

On behalf of all the Governors, I would like to thank you for the support you have given your children and the school over the last year. It has been another challenging year but we can all feel proud of the way the children have adapted and the resilience they have shown.

Please try to rest, relax and enjoy the summer, whatever you have planned, and let's hope for a more "normal" 2021-2022.

Thank you

Emma Spencer, Chair of Governors

Please continue to report any positive covid cases to the NHS and inform the school by emailing pupilabsence@brampton.cambs.sch.uk .

We hope you have a great summer and look forward to seeing you in September – the children return on Thursday 2nd September.
