Prevent Action Plan & Risk Assessment – Cambridgeshire and Peterborough Schools

> Brampton Village Primary School recognises that it has a duty under Section 26 of the Counter-Terrorism and Security Act, 2015, in the exercise of its functions, to have due regard to the need to prevent people from being drawn into terrorism.

The Prevent Duty is seen as part of the schools and colleges wider safeguarding obligations. Designated leads (and deputies) and other senior leaders in schools should familiarise themselves with the revised Prevent Duty Guidance: for England and Wales especially paragraphs 57-76, which are specifically concerned with schools (and covers childcare). Designated Safeguarding Leads (and deputies) and other senior leaders in colleges should familiarise themselves with the Prevent Duty guidance: for further education institutions in England and Wales. The Guidance is set out in terms of four general themes: risk assessment, working in partnership, staff training and IT policies. *Keeping Children Safe in education 2022, pg 148*

RISK ASSESSMENT

A risk assessment is a core part of the Prevent duty for education settings. All settings should read www.gov.uk/government/publications/prevent-duty-guidance/revised-prevent-duty-guidance-for-england-and-wales. It is recommended that settings assess the risk of students being drawn into terrorism, including support for extremist ideas that are part of terrorist ideology. Settings may choose to have a written risk assessment to better communicate and document actions taken to mitigate any risks. The purpose of the risk assessment is to have an awareness and understanding

of the risk of radicalisation in your area and your school. The type and scale of activity that will address the risk will vary but all schools will need to give due consideration to it.

It is recommended that the below risk assessment on pages 5 -16 is completed and reviewed annually.

Risk Scoring

Likelihood		Severity	
Almost Certain	5	Catastrophic	5
Very Likely	4	Major	4
Likely	3	Moderate	3
Unlikely	2	Minor	2
Improbable	1	None or Trivial	1

o	Risk Title	Summary	Likelihood	Existing Controls	Severity	Further Action Needed	Lead officer	Date for completion	Progress
1	**Leadership**	Leaders (including governors and trustees) within the organisation do not understand the requirements of the Prevent Duty or the risks faced by the organisation. The Duty is not managed or enabled at a sufficiently senior level. Leaders do not understand, nor have ultimate ownership of their safeguarding processes. Leaders do not ensure all staff have sufficient understanding and that staff implement the duty effectively. Leaders do not communicate and promote the importance of the duty. Leaders do not drive an effective safeguarding culture across the school. Leaders do not provide a safe environment for students. *What is the risk here?* *The result is that the school does not attach sufficient priority to Prevent and risk*		What has your school put in place to ensure sufficient understanding and buy-in from Leadership? Prevent training/briefing for staff (including SLT) and governors. Lead governor for safeguarding/Prevent Prevent lead is at appropriate seniority. Sufficient leadership ownership – risk assessments, safeguarding policies, etc. being signed off by SLT. Leadership have clear understanding of reporting and referral mechanisms. Ensuring the sharing of safeguarding policies – staff sign to confirm the reading of such policies. Promotion of a safeguarding culture through regular training, discussions, etc with senior staff visibly involved.		Updated PREVENT training to take place for all staff.	**PREVENT lead**	**June 2023**	

		assessment/action plans (or does not have one). Understanding and risk mitigation to meet the requirements of the Duty are not effective.						
2	**External speakers and events**	Ineffective or disproportionate policies and procedures for external speakers and events. External speakers and events policy does not exist, or does not encompass all staff, students, and visitors. No consideration of freedom of speech implications. Freedom of speech stifled by a disproportionate process or the use of Prevent to shut down legitimate debate. Allowing any sort of discussion to take place under the banner of freedom of speech which could leave open the potential of the hosting of proscribed organisations, which would be against the law. No risk assessment process attached to events. Ineffective or no thought on		What has your school put in place to mitigate risk posed through external speakers and events? External speaker and events policy, which includes reference to freedom of speech and would include off site events within the remit. Clear, proportional external speakers and events process, which would include due diligence, sign off and appropriate mitigations put in place. Risk assessment focus on external events and speakers process, where appropriate. Training on Prevent (to include threat and internal processes) to staff, including security/estates staff. The advertisement of any event is taken into consideration when risk assessing, e.g. will social media be used, will it be through official accounts, will leaflets be posted and where.		Ensure all polices for safeguarding are up to date Staff are reminded to confirm arrangements with all visiting speakers			

		appropriate mitigations to risk, or event cancellation in place of effective risk mitigation which impacts freedom of speech. Focus is only on events taking place on site. Consideration needs to be made to include provider-affiliated events that could take place off site. Physical security staff lack understanding of the Prevent duty. Information sharing process with other partners not in place. *What is the risk here?* *Ineffective external speaker and events policies/processes increases the chances of extremist infiltration through events and speaking opportunities.*

Risk Assessment not appropriately updated when changes take place e.g., change of school location, introduction of external speakers.

Does not have a policy / procedure for managing whistleblowing and complaints.

No action plan in place to address risk identified.

What is the risk here?

The provider may not be responding to the correct and relevant, identified risk and as result may be leaving them more vulnerable to students and staff being drawn into terrorism. | | What has your school done to ensure that your risk assessment / action plans are fit for purpose?

Risk assessment undertaken, which is regularly reviewed, updated, and signed off at an appropriate level.

Necessary actions to mitigate risks (i.e. the action plan) are clearly stated and a plan put in place to address within a specified timeframe.

Risk assessment covers welfare, safety, estate management, relationships. (Not an exhaustive list)

Whistleblowing and complaints policy in place.

Risk assessment considers local risk, information accessible via local authority, Prevent Officers. | | Risk assessments to be reviewed annually | | | |

| 5 | Staff Training | Appropriate staff/governors not trained. Staff do not understand what extremism is and radicalisation means and why people may be vulnerable to being drawn into terrorism.

Appropriate staff do not know what measures are available to prevent people from becoming drawn into terrorism and do not know how to obtain support for people who may be being exploited by radicalising influences. This includes what behaviours to look out for and how to make a referral, including Channel.

Appropriate Staff and governors do not undertake the appropriate level of training and lack the knowledge to recognise vulnerabilities that may be exploited by extremist narratives.

Volunteers and subcontractors missed out of training plan as not considered as staff.

What is the risk here?
Staff do not recognise behavioural signs of radicalisation and vulnerabilities. The risk of harm is not reported properly and promptly by staff. | | What has your school put in place to ensure effective staff training?

Training plan that details what appropriate staff are trained, how and with justification

Ensures **all** staff attend a form of Prevent training with a focus on Notice, Check, Share. Those more involved in safeguarding/welfare (as a minimum) to have more detailed/focused training. –

| 6 | **Welfare and pastoral care / chaplaincy support**

N.B. May only be relevant for those establishments with Faith-related areas. | Vulnerabilities are not addressed appropriately and lead to potential radicalisation or safeguarding issues.

Insufficient appropriate pastoral and welfare support that is available to all students.

Ineffective policies in place regarding the use and management of prayer rooms or faith facilities, including detailing the procedure for managing any issues that arise with the use of the area.

What is the risk here?

Student vulnerabilities are not appropriately addressed resulting in potential for radicalisation.

Prayer and faith facilities could be inappropriately utilised to propagate extremist narratives. Inappropriate management of the faith facilities could result in tensions and a lack of student cohesion. | | What has your school put in place to ensure student vulnerabilities are appropriately addressed?

The school has a vetted and robust signposting system in case vulnerabilities cannot be dealt with in house.

There is an effective policy with a clear process for the management of faith related spaces (where appropriate), including a process to resolve issues.

Students and staff alike are aware of the welfare and pastoral support available within the school.

Students and staff alike are aware of the expected conduct within the faith related space. | | | | | |

| 7 | Safeguarding | Safeguarding leads are unaware of the links between vulnerabilities and radicalisation.

Prevent is not embedded within the safeguarding policy and within the culture of safeguarding within the school leading to confusion and potential for the risk of radicalisation to not be recognised.

Radicalisation and related vulnerabilities are not referred to within safeguarding training which leaves staff with a knowledge gap and the risk to not be recognised.

The internal safeguarding referral process does not mention Prevent.

What is the risk here?
Student vulnerabilities are not appropriately addressed resulting in potential for radicalisation. Staff are unsure how to recognise or refer a Prevent concern and see no link to Safeguarding, leaving vulnerabilities unmitigated. | | Safeguarding leads are appropriately trained to recognise Prevent concerns or risks of radicalisation.

Safeguarding leads undertake the Home Office training in relation to Channel and are aware of the referral path.

Safeguarding Leads or nominated member of Safeguarding Team undertake role of Prevent Lead and attend training (provided by LA Education Safeguarding Team)

Safeguarding leads ensure they are aware of their Local Authority contact and Local Prevent Officers

Safeguarding training for staff includes Prevent and appropriate links between radicalisation, vulnerabilities, and Safeguarding.

Unclear linkages between IT policy and the Prevent duty. No consideration of filtering as a means of restricting access to harmful content.

What is the risk here?

Ineffective IT policies increases the likelihood of students and staff being drawn into extremist material and narratives online. Inappropriate internet use by students is not identified or followed up. | | What has your school put in place to ensure appropriate filtering and online safety?

Appropriate internet filtering is in place with a robust follow-up system for any instances of access to restricted sites.

Clear IT policy in place with explicit mention of the Prevent duty.

Guidance on appropriate filtering can be found at UK Safer Internet Centre Appropriate Monitoring Guidance JISC also offer advice around cyber security and online filtering.

| 9 | **Building students resilience to radicalisation / curriculum** | The setting does not provide a safe space in which students can understand and discuss sensitive topics, including terrorism and the extremist ideas that are part of terrorist ideology, and learn how to challenge these ideas.

The setting does not teach a broad and balanced curriculum which promotes the development of students and fundamental British values and community cohesion.

British Values are not exemplified by staff and students are unaware of both the values and how they and Prevent relate to their life and course.

Students are exposed to intolerant views and become intolerant to others.

What is the risk here?

The risk is students are exposed to intolerant or hateful narratives and lack understanding of the risks posed by terrorist organisations and extremist ideologies that underpin them.

A risk of students holding intolerant views and creating tensions both within the school and the community. | | What has your school put in place to keep students safe and to build resilience to radicalisation?

The school has codes of conduct for all staff (teaching and non-teaching staff)

The school does not provide a safe environment conducive to learning. Dangerous substances are not stored correctly, and students have unsupervised access to dangerous substances including chemicals, bacteria, viruses, and toxins. Rooms can be hired out at the school and could be used for meetings of an extremist nature due to a lack of due diligence. *What is the risk here?* *Access could be gained by an external party for the purpose of causing harm to students and staff. Students and staff could be exposed to extremist ideologies.* *Chemicals and dangerous substances could be used in an act of harm.* | | What has your school put in place to ensure due diligence checks are carried out on visitors? Dangerous products and cleaning materials should be locked away and regularly inventoried with access only for those who absolutely need to access them. Access to the building is monitored for both students and visitors with a robust system in place for visitor management and events. Building access is monitored and recorded to ensure security and welfare in order that staff know who is on site and when.
