Upper Phase Remote Learning

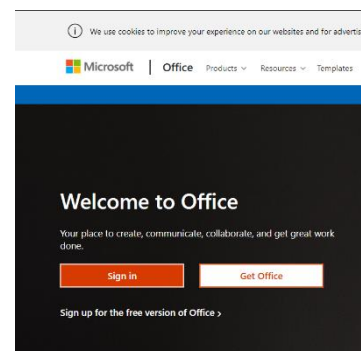

March 2021

What is remote learning?

Remote learning is learning from home when children cannot be at school because of Covid-19.

What will remote learning look like in Upper Phase?

Your child can access the remote learning activities using his or her Microsoft 365 account. Navigate to www.office.com in any browser (or search for office 365) and select *Sign In*. Your child has been assigned individual log in details which will have been stuck into their Reading Logs. If your child does not have this information please contact the class teacher via the following email addresses to request the login details.

upperelm@brampton.cambs.sch.uk
upperbeech@brampton.cambs.sch.uk
uppermaple@brampton.cambs.sch.uk
uppercedar@brampton.cambs.sch.uk
upperwillow@brampton.cambs.sch.uk

All of the children's remote learning resources can be accessed through the 'Class Notebook' which can be found in the 'One Note' App. Work will be completed in three Word documents which have been shared by the class teacher. Further information can be found in the '**Remote Learning Instructions 2021**' document on the school website.

Which activities does my child need to do and when?

In the event of your child having to isolate, he or she will be provided with activities within *subject* sections of the Class Notebook to complete. They may also be signposted to resources in the *Content Library*.

Where possible, each day your child should complete English and Maths tasks each day as well as other activities such as topic, creative projects or science. In the *Content Library*

within the Class Note Book you will find a page of links including code.org, TT Rock Stars and Touch Typing. Please encourage your child to access these regularly. If your child has a Nessy account he/she should also access the reading and spelling activities for 20 minutes each day.

Reading

Where possible, each day your child should read a book for 20 minutes. The children will still have access to the AR system to allow them to complete regular quizzes. Your child will also have access to reading comprehension activities to choose from. Your child also has access to the Collins Big Cat e-library and has been assigned a range of books, many of which are on the AR quiz system.

Maths

Daily Maths activities will be provided to complete. All links and instructions will be available through the Content Library in the Class Notebook.

English

We have English lessons four times a week at school. There will be enough resources, possible web links and activities available to complete four activities a week. Again, this can be found in the Content library.

What if my child can't do all of that every day?

Our aim is to provide you with four hours' worth of work a day. We understand that sometimes family members may be unwell, working from home or for other reasons it may not be possible to complete everything provided. This is OK. Just do as much as you can, when you can.

Where should my child work and who will see it?

Class teachers have shared 3 Word documents to your child's Office 365 account online. An English, Maths and Creative (all other subjects) document. Where possible, we would ask that the children work in these documents or share their work by photographing it and inserting into the documents as this will allow teachers to access and feedback on completed work.

Further information is available on the '**Remote Learning Instructions 2021**' document on the school website.

What if my child gets stuck on his/her work or has a question?

The teachers will be available (providing we are well) through the Class Team post or via the class email address **during school hours**. They will get back to you as soon as they can.

What if my child cannot access the online content or I cannot print?

You can request a printed work pack by sending an email to your child's teacher using the class email address, but you will need someone who is not isolating to collect it for you as soon as possible. These packs do take time to prepare so we would appreciate it if you only request one if you cannot print or do not have a device to access the resources online. Please ensure that the packs are collected if requested.

What if my child's bubble is closed?

If the whole bubble is sent home to isolate then we will continue to send work home via Office 365 in the same way. More details will also be provided at the time if this were to happen.

Please contact your child's teacher using the class email if you have any questions.

upperelm@brampton.cambs.sch.uk Mr Church

upperbeech@brampton.cambs.sch.uk Miss Sharpe

uppermaple@brampton.cambs.sch.uk Mr Rayner and Mrs Lane-Petter

uppercedar@brampton.cambs.sch.uk Mrs Barton

upperwillow@brampton.cambs.sch.uk Mrs Talbot

Thank you for your ongoing support.
