Week 38

Dear Families,

We explored our own allotment this week at Brambles to see how the runner beans, potatoes and herbs were getting on.

The curiosity object was a mini ant farm. We found it fascinating watching them move busily around the frame.

Home Learning: Why not have a go at growing some cress or strawberries to eat?

Sincerely,

Miss Hayley

Learning Goals:

Topic: 'Summer' **Main Texts:** 'When Grandma gives you a lemon tree' by Jamie LB Deenihan and 'Our community garden' by Barbara Pollak

We have explored lemons just like in our story this week and made our own lemonade to try. We enjoyed learning about the different types of vegetables that can be grown in allotments and can be eaten like the ones in our other book this week. The key words we learnt were: allotment, compost, cultivate, produce, soil and water.

We enjoyed carrots, potatoes, green beans, strawberries and tomatoes for snack this week. We also talked about if grow above or below the ground.

Reminders:

Thursday 22nd is the Brambles last day in pre-school.

Friday 23rd is not a Brambles Day but Brambles will be hosting the 'Beep, Honk, Stop & Wave' drive by parade from 10am-11.30am. This is a drive by to collect curbside treats and gifts.

Please email Brambles@Brampton.Cambs.sch.uk by Friday 2nd July to inform us of your child's last day and if you will be attending the drive by.
