Headteacher's notes...

The snow at the start of the week caused great excitement and the children had a wonderful time outside. It has however, been too cold and icy to be out for long so we have kept the children inside at break and lunchtimes but they have had other opportunities to go out during the day. Hopefully next week we will get back to normal....

Children in Year 1 and Year 2 did brilliantly in their performances this week and those in Brambles sang very well today. I know from your comments how much you enjoyed seeing the children perform at this special time of year. Thank you to all the staff for their hard work and to the PTA for providing refreshments.

Despite the cold and snow, work has been taking place in the KS1 playground on creating new area for the children to enjoy. This has taken some time to be completed and thank you to the PTA for providing this for the children.

A large number of children and staff have continued to be away from feeling unwell. We hope that everyone is better soon but please make sure that your child is well enough to attend school.

On Monday, we have carol services at St. Mary Magdalene before the last day of term on Wednesday. The last day of term, **Wednesday 21st December**, will be a non-uniform day as the children take part in various Christmas activities.

The children return for the Spring Term on **Thursday 5th January 2023**.
