Week 26

Week 26 21-25<sup>th</sup> Mar  
Mini Beasts

Week 27 28 Mar-1<sup>st</sup> Apr  
Tadpoles

## Dear Families,

Looking for something free to do with your little ones? 30mins of activity out of the house? Why not join Jubilee Junior Parkrun?

**What is Jubilee junior parkrun?** A free, fun, and friendly weekly 2k event for juniors (4 to 14 year olds). **When is it?** It is held every Sunday at 9:00am. **Where is it?** The event takes place at Jubilee Park, Kings Ripton Road, Huntingdon, Cambridgeshire PE28 2NR. **What does it cost to join in?** Nothing - it's free! but please register before you first come along. Only ever register with parkrun once and don't forget to bring your barcode. If you forget it, you won't get a time. **How fast do I have to be?** The aim is to have fun. Please come along and join in whatever your pace from walking to running to everything in-between. 3 year olds can join in but just won't get a time until they turn 4 and buggys are also welcome on the course. **We're friendly!** Every week we grab a post parkrun coffee in the Huntingdon Town Football Club club house. By supporting the Football Club's café, you'll be supporting our event in turn - please come and join us!

Sincerely,

Brambles Team

**Home Learning:** Why not look for mini beasts in your garden, on a walk or at the country park? We would love to see how many different ones we can find between us all.

## Learning Goals:

**Topic:** 'Spring' **Main Text:** Big Book of Bugs by Yuval Zommer  
*This week we have learnt all about marvellous mini beasts. From ants to termites and beetles to millipedes. We discovered that minibeasts can be insects like spiders, worms, centipedes etc and some minibeasts are creatures that do not have backbones and they are called invertebrates because they do not have a skeleton inside their body. Some live in shells or have a hard covering like a beetle and the covering is called an exoskeleton. Minibeasts are marvellous as they live in many different types of places even in our homes, gardens and ponds!*

## Reminders:

**Fri 1<sup>st</sup> April**

Last day of Spring term

**Spring/Easter Break**

4<sup>th</sup> - 15<sup>th</sup> April

Brambles CLOSED

**Brambles Re-opens**

Wednesday 20<sup>th</sup> April
