7th June - 11th June

Wind

Week 38

14th June - 18th June

Allotment treasures

Dear Families,

We took a walk to feel the wind on our faces and in our hair. We talked about how the wind felt on the field back in winter when it was cold and foggy and compared the difference to how it feels now.

We also chatted about the adventures we had with our families over half term.

Home Learning: Why not blow bubbles and explore what happens to them and the direction they travel in?

Sincerely,

Miss Max

Learning Goals:

Topic: 'Summer' **Main Texts:** 'Feel the wind' by Arthur Dorros and 'Jeremy worried about the wind' by Pamela Butchart

We have explored how the wind can be used for power through photos of windmills. We created our own streamers to use in the wind by tying ribbons onto bamboo rings. We ran outside in the wind and explored what happens to our streamers. Some of us adapted it to make a kite whilst others had a go at making paper airplanes and paper boats with sails to watch how the wind moved them.

The children enjoyed pizzas made with wraps and we spoke about the fan in the oven that cooks the pizza.

Reminders:

The photographer who was in this week will arrange delivery of photos to Brambles once they are ready for collection.

Treat Week the WB: 19th July. There is a poster displayed outside of Brambles opposite the gates where you wait.
