

# Brambles NEWSLETTER

**Week 28**

**Week 28 20-22<sup>th</sup> Apr  
Childminders**

**Week 29 25-29<sup>th</sup> Apr  
Space**

## *Dear Families,*

Thank you for working with the school and pre-school regarding the new entrance. Safeguarding the children is paramount to us. There are plans to make the new entrance better, please just bear with us.

You may have seen online the Nivea suncream has changed the ingredients. We are continuing to use this product at Brambles until our current supply has run out. Families are always welcome to provide their own named suncream if they do not wish for us to use Nivea. This year we do not have any children with nut allergies. Thank you to those families who also shared this information with staff.

**Home Learning:** Why not think of all the different people who help you to create a 'safety hand'? Think of five people who you can go to for help and support.

*Sincerely,*

Brambles Team

## Learning Goals:

**Topic:** 'Spring' **Main Text:** My new childminder by Jillian Powell

*We have learnt that has a childminder looks after children in their own home and different aged children. Childminders take children to groups, nursery, pre-school and school. They work with parents. At the childminder's children play, eat, make new friends, cook and go into the community.*

*A few Brambles children go to a childminder and they shared their experiences, we looked at similarities and differences to pre-school.*

## Reminders:

**Wed 27<sup>th</sup> April**  
PTA Bags 2 School

**Wed 29<sup>th</sup> April**  
Cake Friday

**Sat 18<sup>th</sup> June**  
PTA Summer Fayre
