Headteacher's notes...

Well it certainly has been a busy week! Staff have commented upon how well the children have settled back into school and how hard they are all working. We have continued with our Assembly theme of 'Going for Goals' and linking it to being resilient, which is one of our 6Rs. Local Authority Advisors who visited today were very positive about everything they saw across the school.

As well as a number of activities taking place for Science Week, swimming lessons have started again for Year 3 this afternoon - thank you to all those who have volunteered to help with this. A number of sporting events have also taken place, including netball and cross-country tournaments. Two teams from Brampton entered the Bee Netball competition at Hinchingsbrooke School and in a tough competition, one of our teams came second in their group, which was a fantastic result.

Four teams from Brampton entered the Priory Cross Country race yesterday. One team came 2nd and the other came 4th out of over 46 teams overall. Thank you to all the parents for their help and support on both occasions and to the staff who have coached them as well.

Earlier this week the PTA met and plans are well underway for the Summer Fair – more details are below. Please do what you can to support the committee as all the money that is raised goes to benefit all children at the school.

Information for parents in Year 2 and Year 6 about the SATs has been sent home and also, made available on the school website. Please contact your child's teacher if you have any questions. Presentations from the Y5 and Y6 Relationships and Sex Education meetings are on the PSHE pages of the school website, under 'Our Curriculum'.

Don't forget that the school is closed on Monday 2nd May as it is the Bank Holiday. Let's hope it is a bit warmer than this week has been!

Vacancy

We are currently recruiting a Midday Supervisor to work for 5 lunchtimes a week, starting as soon as possible. Details can be found under 'Vacancies' on the school website.

Community News: Celebrate the Platinum Jubilee with a free family story-trail in Huntingdon

This Spring, families in Huntingdon will be able to celebrate the Platinum Jubilee and have a great day out with this augmented reality story-trail.

As part of local plans to celebrate the Queen's Platinum Jubilee, from April 30th until June 12th, BID HUNTINGDON has teamed up with High Street Safari to run a free story-trail in Huntingdon's town centre.

The trails work like Pokemon Go, by utilising QR codes, without the need for players to download or sign up to anything. The trail consists of 7 vinyl window characters with QR codes that local businesses will host. Families will be able to start the trail by scanning any of the characters. For families on the trail they will be able to engage with the experience by scanning each character's QR code and learning their names and stories and seeing them in AR. Everyone will have fun taking silly selfies in augmented reality. The trail takes about forty-five minutes to complete but can be completed in more than one visit. They can do this in their own time and pace, if it takes a week it doesn't matter. After spotting all 7 characters, families will be rewarded with a free e-book that concludes the story. What's more, every business on the trail is offering a special something that might delight children or adults or both on show of a selfie with their AR character! The trail runs from April 30th to June 12th. To find out more, visit the website: www.jubileebeacontrail.com

PTA News

We are looking forward to seeing everyone today at our popular Cake Friday event.

Everyone is welcome at the cake sale which will take place in the KS1 hall from 3pm, please access the hall through the office reception where there will be signs guiding the way. Cakes will be sold at 50p each or three for £1. All proceeds are going towards the £6,000+ needed for KS1 playground improvements.

Platinum Jubilee Orders

Thank you for the orders that have already been placed for the Platinum Jubilee products. You have until tomorrow, Saturday 30th April to make your order and the products will be delivered to school before the jubilee. You can still get an individual order form code from us, please email bramptonpta@outlook.com

Many thanks
PTA Team

We currently have a total of 1 confirmed case amongst both staff and children.

Please keep your child at home if they are unwell or show signs of COVID.

Please continue to inform the school each day by phoning or emailing pupilabsence@brampton.cambs.sch.uk .

Thank you for your continued support.
