## Headteacher's notes...

Children across the school continue to produce some wonderful work and this week we have seen gingerbread men all over Reception! I know that the children have enjoyed making them and writing all about it, having looked at the story in class. Also 'well done' to all of the Year 6 children who have completed their SATs tests this week. They have all worked incredibly hard and we are all proud of what they have achieved.

Next week some children and staff from Year 4 are going on their residential visit to Grafham. We hope they have good weather. Those children not going will be doing activities in school and do not need to wear school uniform. They will have PE on Wednesday and Friday. We hope that they all have an enjoyable time.

A letter has been sent out about the meeting for the Y6 residential visit to Laches Wood. This is taking place on Zoom on Thursday 19<sup>th</sup> May at 5:30pm. The link for this meeting has been provided but please contact the office if you need it again.

Next Tuesday we are having class photos and children who have PE that day should come in wearing school uniform and have a change of clothes for PE. On Friday Year 5 have a visiting Planetarium in school which I know they are looking forward to.

## Family Picnic: Friday 27<sup>th</sup> May

As you know, this year is the Queen's Platinum Jubilee. As part of our celebrations in school we are having a 'Red, White and Blue' non-uniform day and 'Family Picnic' on Friday 27<sup>th</sup> May. Hopefully we will have some good weather and the picnic will run from 11.45am – 1.20pm with parents invited to arrive at the main school entrance from 11.45am. Any younger siblings who attend are the responsibility of their parents. The children are not going home after lunch as school will finish at the usual time in the afternoon.

Each class will be on the field by 12.00pm ready to be joined by parents. Those who are having a school lunch will then be sent to the Hall to collect their food and then return outside. Please remember to bring blankets to sit on. Y3 will be swimming as usual, with 3 Willow leaving at 12.30pm.

Hopefully we will not have to cancel but if we do, a message will be put on the front page of the school website by 10.30am - this is to avoid lots of calls to the Office all morning. If your child is not having a school meal on Friday, please send your child's packed lunch in with your child first thing Friday morning, to avoid confusion in the event of a cancellation. We hope that it will be an enjoyable occasion for all.

## Walk to School Week

Next week is Walk to School Week. We all know the benefits of exercise and even parking a little further away from school and walking will help everyone. For those who bike or scooter please remember to put them in the shelters and not just leave them around the playground.
